

CERTIFICATE OF COMPLETION

DrJoFan completed a Cybersecurity Investigation

Security Analyst III

Earned for successfully completing the Security Analyst III path. Demonstrates the ability to investigate alerts across the full attack lifecycle, map out complete compromises, and lead complex investigations with minimal guidance. Badge holders can quickly recognize patterns, adapt to evolving scenarios, and drive investigations to clear, evidence-based conclusions.

A handwritten signature in black ink that reads "Simeon Kalpovi". The signature is fluid and cursive, with the first name "Simeon" and last name "Kalpovi" clearly distinguishable.
