

CERTIFICATE OF COMPLETION

DrJoFan completed a Cybersecurity Investigation

Security Analyst IV

Earned for successfully completing the Security Analyst IV path. Demonstrates expert-level investigative ability, handling complex and subtle cases with little to no guidance. Badge holders can define approaches to novel threats, lead high-level investigations, and set the standard for analytical rigor and decision-making across a security team.

A handwritten signature in black ink that reads "Simeon Kalpovi". The signature is fluid and cursive, with the first name "Simeon" and last name "Kalpovi" clearly distinguishable.
